Alexandria, VA 22313-1450

S I R:

Pursuant to 37 C.F.R. 1.97-1.99 the Applicant hereby submits

(a) the attached list of prior art, which in the reasonable opinion of Applicant may be material to patentability of the claimed invention, within the meaning of 37 C.F.R. 1.97 and/or which has been cited in the International Search Report prepared by the European Patent Office in respect of the corresponding PCT application;

(b) a copy of the International Search Report, which is attached for the U.S. Examiner to know the first opinion of the Examiner of the E.P.O. and the portions of the references found pertinent by the latter;

(c) necessary copies of the references cited.

This information Disclosure Statement is being filed within three months of the filing date of the present application. In accordance with 37 CFR §1.97(b), no certification or fee is required.

The identification of any document in the attached PTO-Form 1449 is not an admission that such document is in fact prior art or material to patentability relative to the instant application.

Consideration and citation of the references are respectfully solicited.

Respectfully submitted,
